

PEACE CHILD INDIA/ARIVU

NEWS LETTER

July - September 2010

Dear Peace Child India/ARIVU friends, hope you had a wonderful 3 months. PCI has been continuing its work in the Government Children's Home for Boys and at the Schools. We hope you enjoy reading about our projects and we thank you for your continued support.

Visit to the Planetarium

This month Ness Technologies sponsored Doddabella School outing to the Planetarium in Bangalore. It was a fun and education trip where the children played in the "science playground" and watched an educational production about the solar system. The day was concluded with a fun quiz about the

history of India. The children who were most successful in the quiz received a variety of different prizes. This was a very fun day for the children and for all the staff!

Pen Pal

Mary Magdalene School from London and Mutharayannagar Government School from Bangalore have set up a pen pal system. We worked with the 7th standard children and educated them about the life and culture of England. Each child wrote their own letter to their personal pen pal which these were posted in decorated

envelopes along with a photograph of every child individually.

School Group

We had the opportunity to work with Harris academy once again this year. Their project consisted of laying a large pipe to ease the drainage systems as well as leveling the sports field in preparation for the sports and cultural day that we had planned for the entire school. After five days of vigorous physical work, we conducted a sports day which was a fun filled and action packed day. The group conducted various sports and cultural activities for 150 kids who participated with inextinguishable energy. Following which there were dance and music performances from both groups. It was a fabulously tiring day!!!!!!

New Member

Introducing Georg Deepak a new member to our Peace Child India family. PC India is sponsoring Deepak's evening college to pursue his Bachelors course and works with Peace Child India during the day.

Peace Child India in Turkey

Veena Rangaswami and Dorothy Joseph were representing Peace Child India in the 5th World Youth Congress which was held in Istanbul, Turkey. They were amongst 1400 delegates from around the world. We had a stand at the congress to display our work to the young people and diplomats who were all keen to work with us.

It's a GIRL

Amidhi Devaraj the director of Peace Child India gave birth to a beautiful baby girl. Nilah devaraj. She has already started taking control of her parents and has already started showing signs of a powerful lady!

SPECIAL THANKS TO:

Aparna Kurni for contributing towards the scholarship program and Paige Harrison for contributing towards the Children's home program.

THANKING YOU
